REPLY TO THE ATTENTION OF:

Stanley Ellison  
Director of Land and Natural Resources  
Shakopee Mdewakanton Sioux Community  
2330 Sioux Trail NW  
Prior Lake, Minnesota 55372

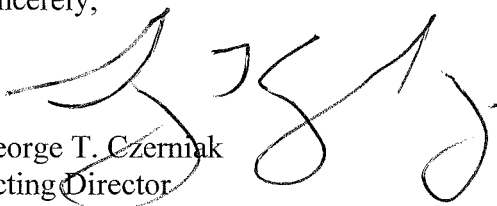

Dear Mr. Ellison:

On June 4, 2012, the U.S. Environmental Protection Agency received a synthetic minor construction permit application for the existing emergency generators located at the Mystic Lake Casino/Hotel complex in Prior Lake, Minnesota. We are writing to inform you that the EPA has completed its review of the permit application and determined that it is complete.

Pursuant to 40 CFR § 49.154, we have determined that the information submitted in the permit application is administratively complete. This application completeness determination does not constitute a thorough evaluation of the merits of the application. If we determine that additional information is necessary to evaluate or take final action on the application then we may request additional information from you and require you to respond.

If you have any questions, please contact Jennifer Darrow, of my staff, at (312) 886-6315. We look forward to working with you in preparing this synthetic minor construction permit.

Sincerely,

  
George T. Czerniak  
Acting Director  
Air and Radiation Division
